All Swantex straws are FSC® certified paper. All our Paper straws are PFAS Free & Vegan friendly

Please see our key below which will help identify the recyclability and reusability of our crackers.

-  This means the cracker itself is recyclable
-  This means the cracker itself is made from recycled board
-  This means the cracker itself and its content is made from mixed FSC® certified paper
-  This means the content is reusable or recyclable
-  This means the content inside your cracker is plastic free
-  Packaging used is made from recycled cardboard and can be fully recycled
